

## FUNCTION MENUS

Thank you for considering The Tap Inn for your next function. Our food concept of Tapas and “all dishes can be shared or eaten individually”, gives you a unique level of flexibility in choosing your menu format and content. In addition to this flexibility the Tapas component enables you to present a far greater array of tastes and choices compared to other function venues. Regarding the size of your party, our function menus can be used in our three private upstairs rooms, the restaurant aviary area, the restaurant balcony and the Sand Bunker Beer Garden.

We have two different formats on offer:

Sit down dinner menu 12 – 80 (Birdies Restaurant)

Cocktail Party 20 – 80 (Sand Bunker Beer garden)
